Dear Michael,

I wanted to write and thank you for doing such a great job in my hall and living room recently.

The new paintwork, baseboards and trim look fantastic and both my husband and I are delighted with the results and the quality of your work. Your team were delightful and you are one of the first Contractors we have hired who remained on the job throughout, completing the work on schedule and within the quoted price – no hidden extras! I am also very grateful to your wife Julie for her color consultation assistance. The two colors we finally chose look amazing! We've received a great deal of compliments and I have given your name to all our friends and colleagues.

We look forward to doing business with you again soon when we start our next project!

Yours sincerely
