Subject: Natalia Vesey - Testimonial & Pictures

Hi Julie and Michael,

Sorry these photos are so late but I wanted to make sure that the kitchen was fully done before sending the pictures. Thank you again for the wonderful work, everyone I show absolutely loves it!! Here is my Testimonial for you:

I highly recommend Michael Chilton from Coastal Colors Painting Company. From beginning to end their customer service was top notch. Julie responded to my first email within a few hours and Michael came to my home that first night to give me a quote. The quality of their work far exceeded my expectations. My refinished cabinets look fantastic!
