Reference for Michael Chilton - Coastal Colors Painting Company

I recently contracted Michael's company to custom paint and install decorative baseboards throughout the entire interior of my new three story house in *Del Mar*.

The work involved extensive liaison and color consultancy with Coastal Colors. I had designed a complex color combination involving many accent colors. I found Michael and Julie Chilton very instrumental in pulling this complex project together.

I was so impressed with the quality of workmanship and attention to detail; I had this company return to re-finish my kitchen and bathroom cabinetry, a very extensive project.

All of the work carried out by Coastal Colors was of the highest quality, handled with professionalism and completed in a timely manner. I was completely delighted with the final results!

Michael and his crew have transformed my house to a home.

I strongly recommend Coastal Colors Painting Company to any prospective client that appreciates quality workmanship.
