To whom it may concern:

I would like to strongly recommend Michael Chilton and Coastal Colors painting. A friend recommended him to me. He and his crew just finished painting the exterior of my house and the job is excellent.

The job started right on schedule and finished on time. He was knowledgeable about the maintenance needs of my house and came in with a competitive bid. He was onsite supervising and working on the fine points of the job.

His crew was skilled and courteous. They spotted and repaired damage to the fascia boards surrounding my roof that I had not noticed. I had them repair the iron work and it looks excellent. You would never know about the extensive rust damage. The staining of our custom door is flawless. Not a run to be seen.

My wife and I will be glad to have Coastal Colors back to help finish the remodel of the interior of our house. I highly recommend Michael and Coastal Colors.

Sincerely,

Rick Sayen
